A Global CO2 Emission Analysis

This map shows that total c02 emission ar..

This chart shows top 10 c02 emission coun..

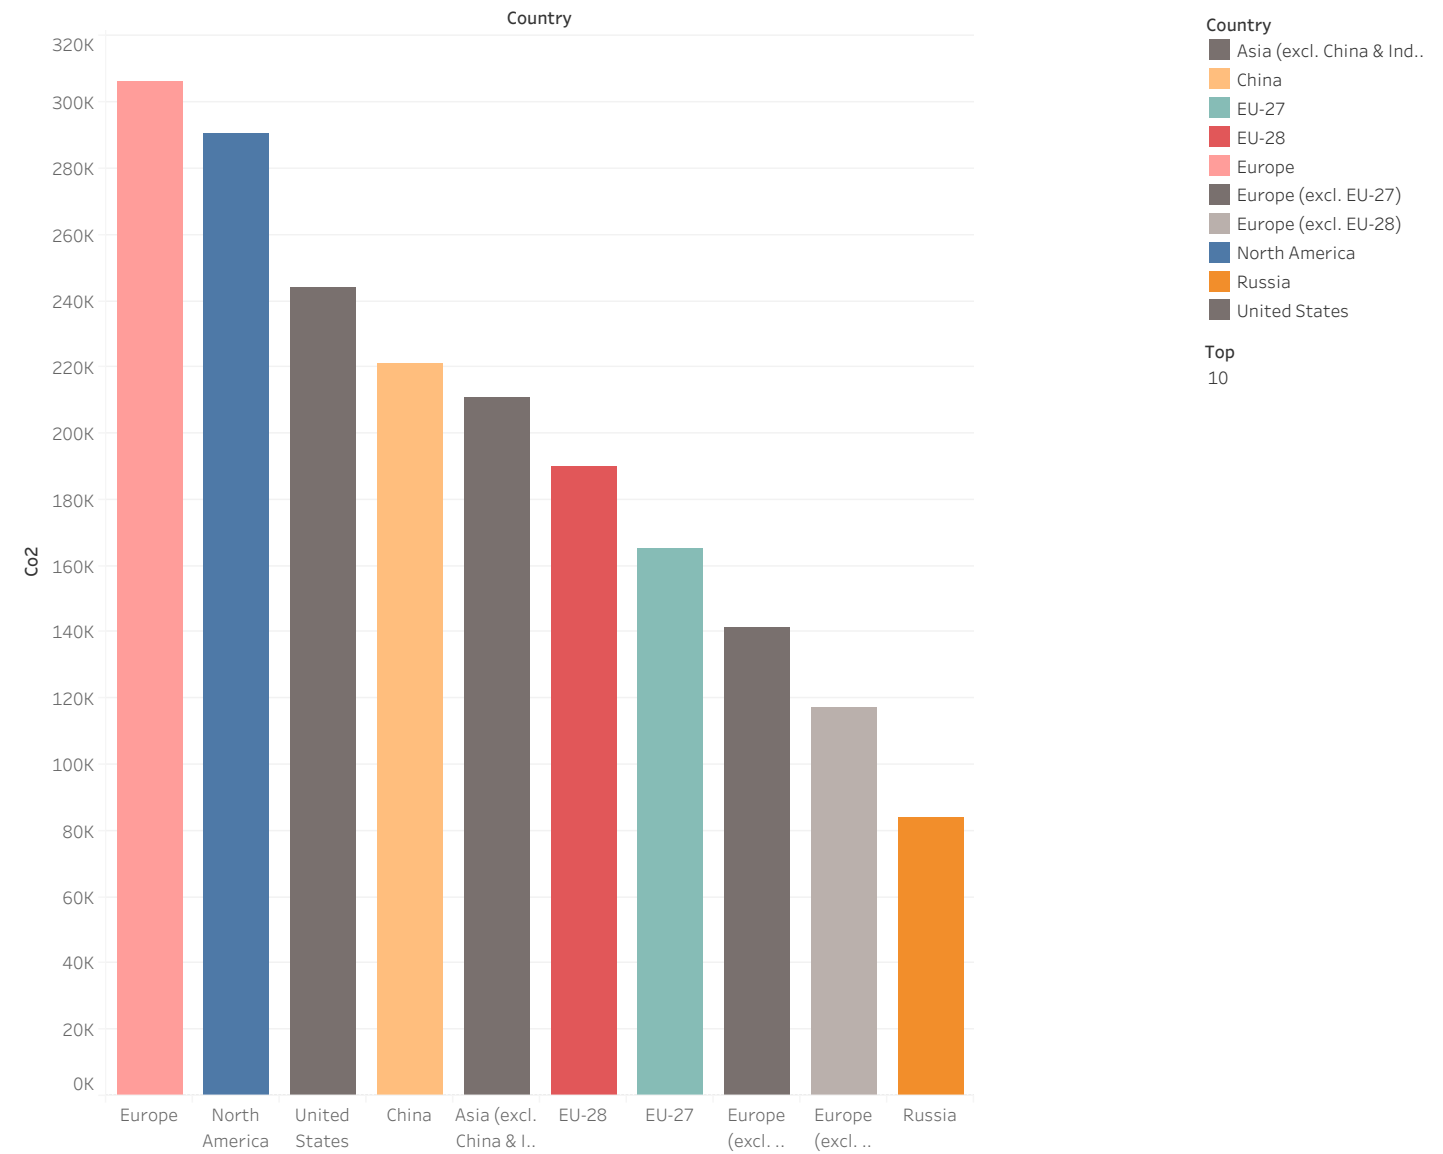

This chart shows that co2 emission over the..

This chart shows that co2 emission for India..

This chart shows the total emission of co2 ..

This chart shows that co2 emission on perc..

This chart shows that c..

A Global CO2 Emission Analysis

This map shows that total c02 emission ar..

This chart shows top 10 c02 emission coun..

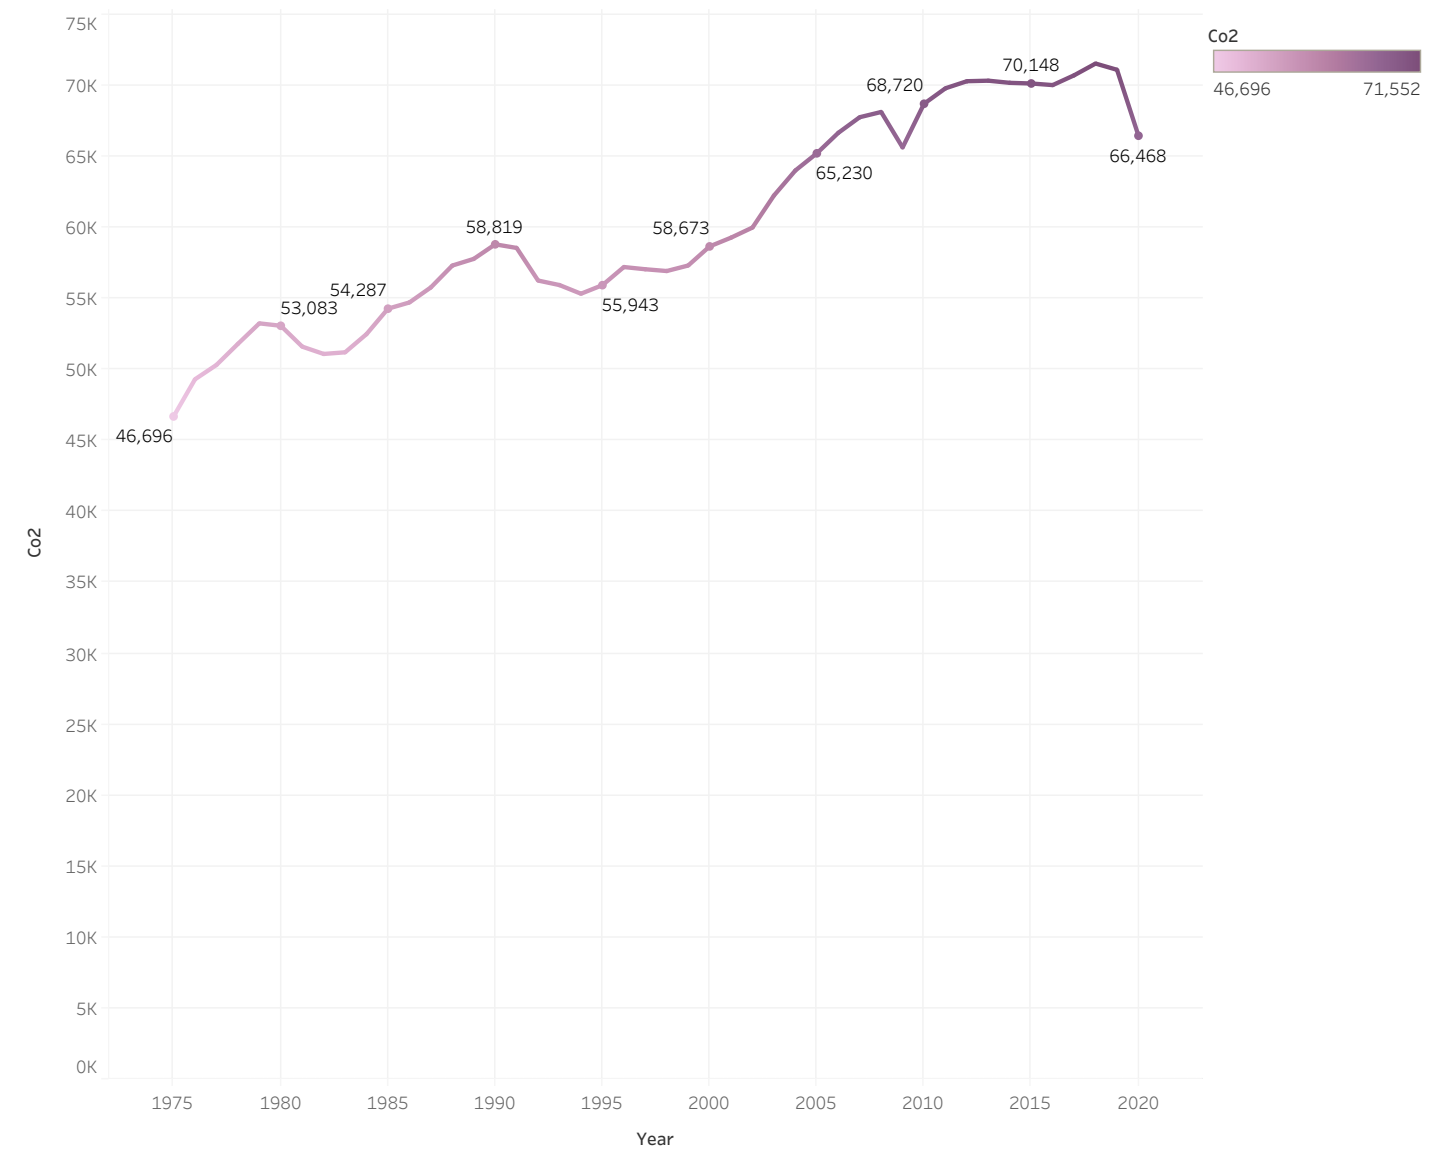

This chart shows that co2 emission over the..

This chart shows that co2 emission for India..

This chart shows the total emission of co2 ..

This chart shows that co2 emission on perc..

This chart shows that c..

A Global CO2 Emission Analysis

This map shows a
that total c02 e..

This chart shows top
10 c02 emission coun..

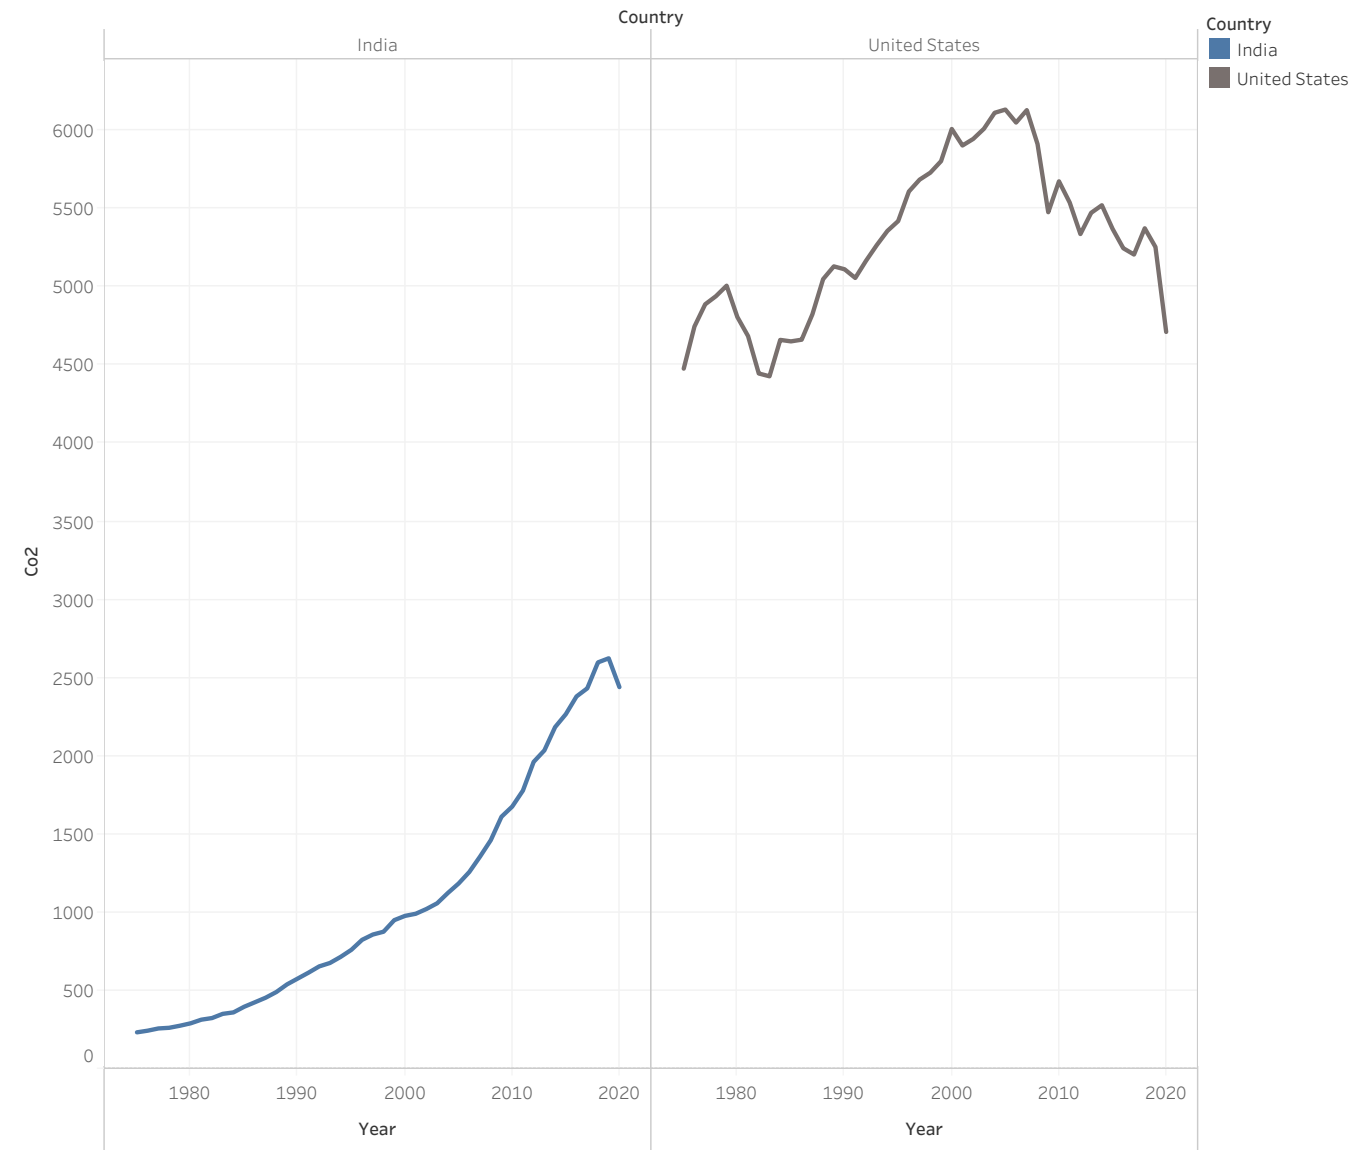

This chart shows that
co2 emission over the..

This chart shows that
co2 emission for India..

This chart shows the
total emission of co2 ..

This chart shows that
co2 emission on perc..

This chart shows
that co2 emission b..

A Global CO2 Emission Analysis

This chart shows top 10 c02 emiss..

This chart shows that co2 emission over the..

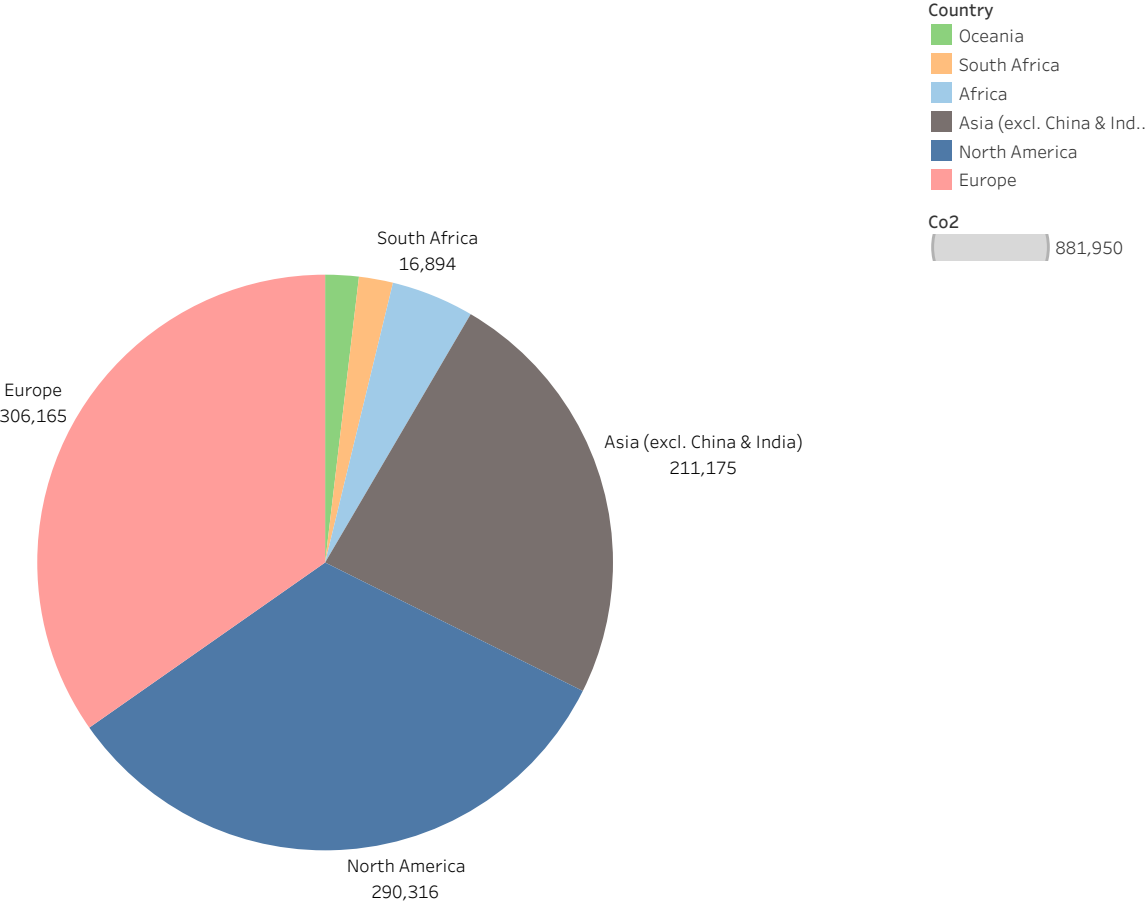

This chart shows that co2 emission for India..

This chart shows the total emission of co2 ..

This chart shows that co2 emission on perc..

This chart shows that co2 emission by Inter..

This chart shows that co2 emission c..

A Global CO2 Emission Analysis

This chart shows that co2 emissio..

This chart shows that co2 emission for India..

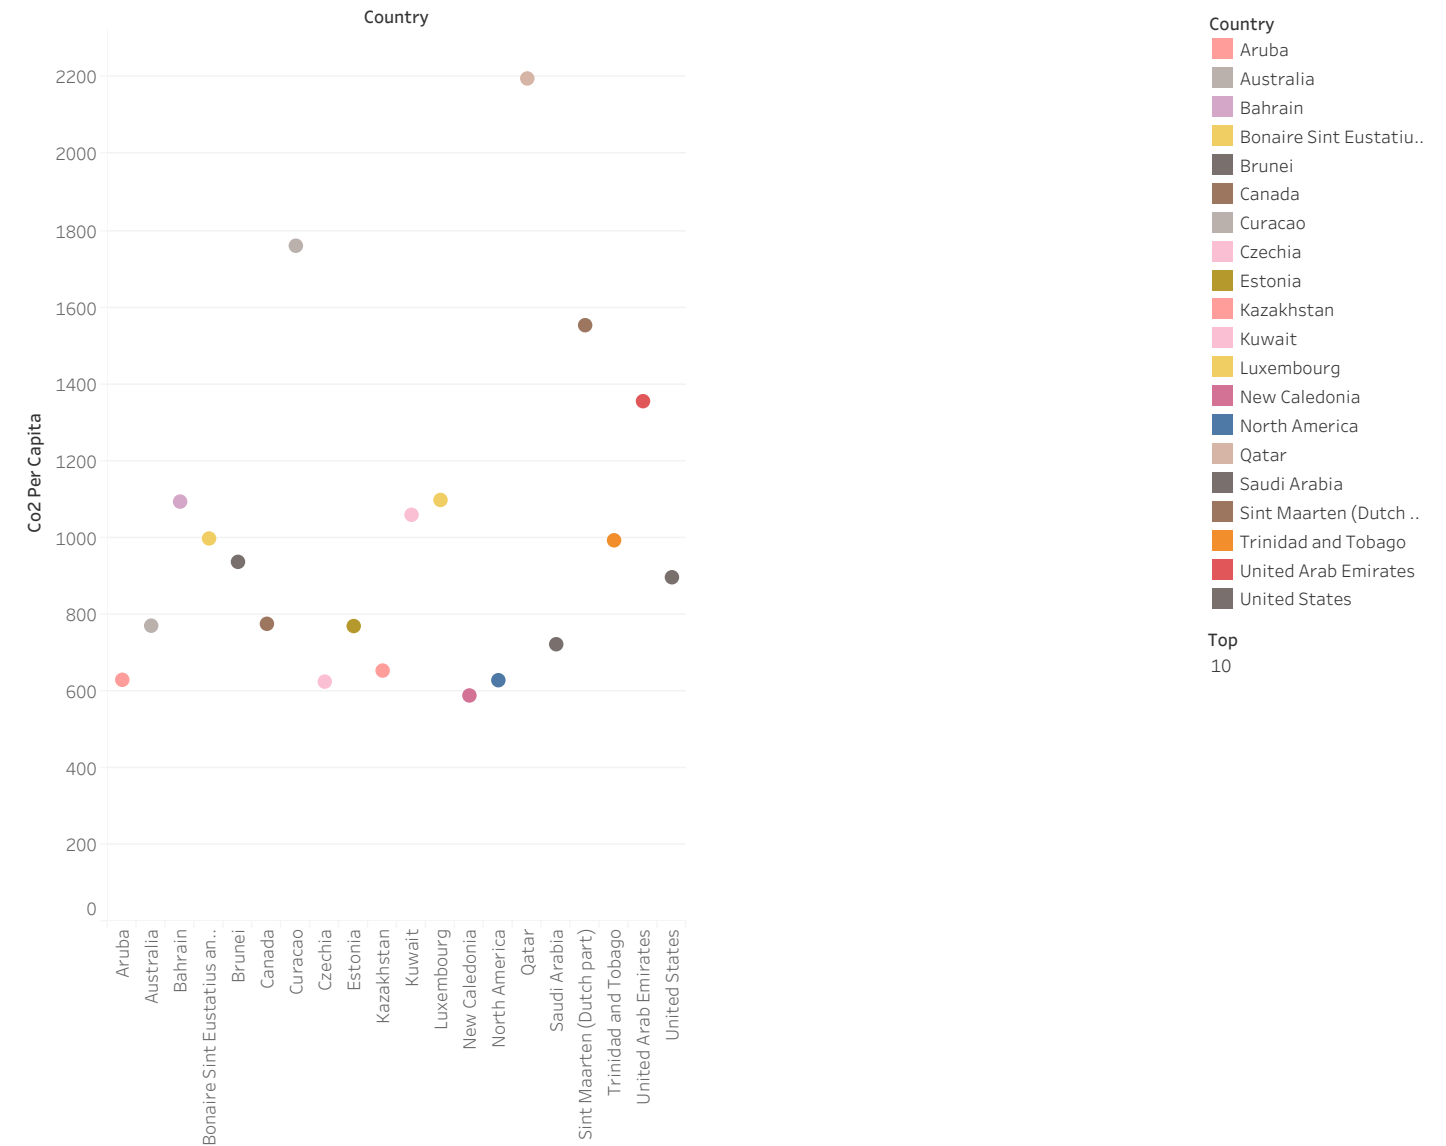

This chart shows the total emission of co2 ..

This chart shows that co2 emission on perc..

This chart shows that co2 emission by Inter..

This chart shows that co2 emission caused ..

This chart shows the emission rate over ..

A Global CO2 Emission Analysis

This chart shows that co2 emissio..

This chart shows the total emission of co2 ..

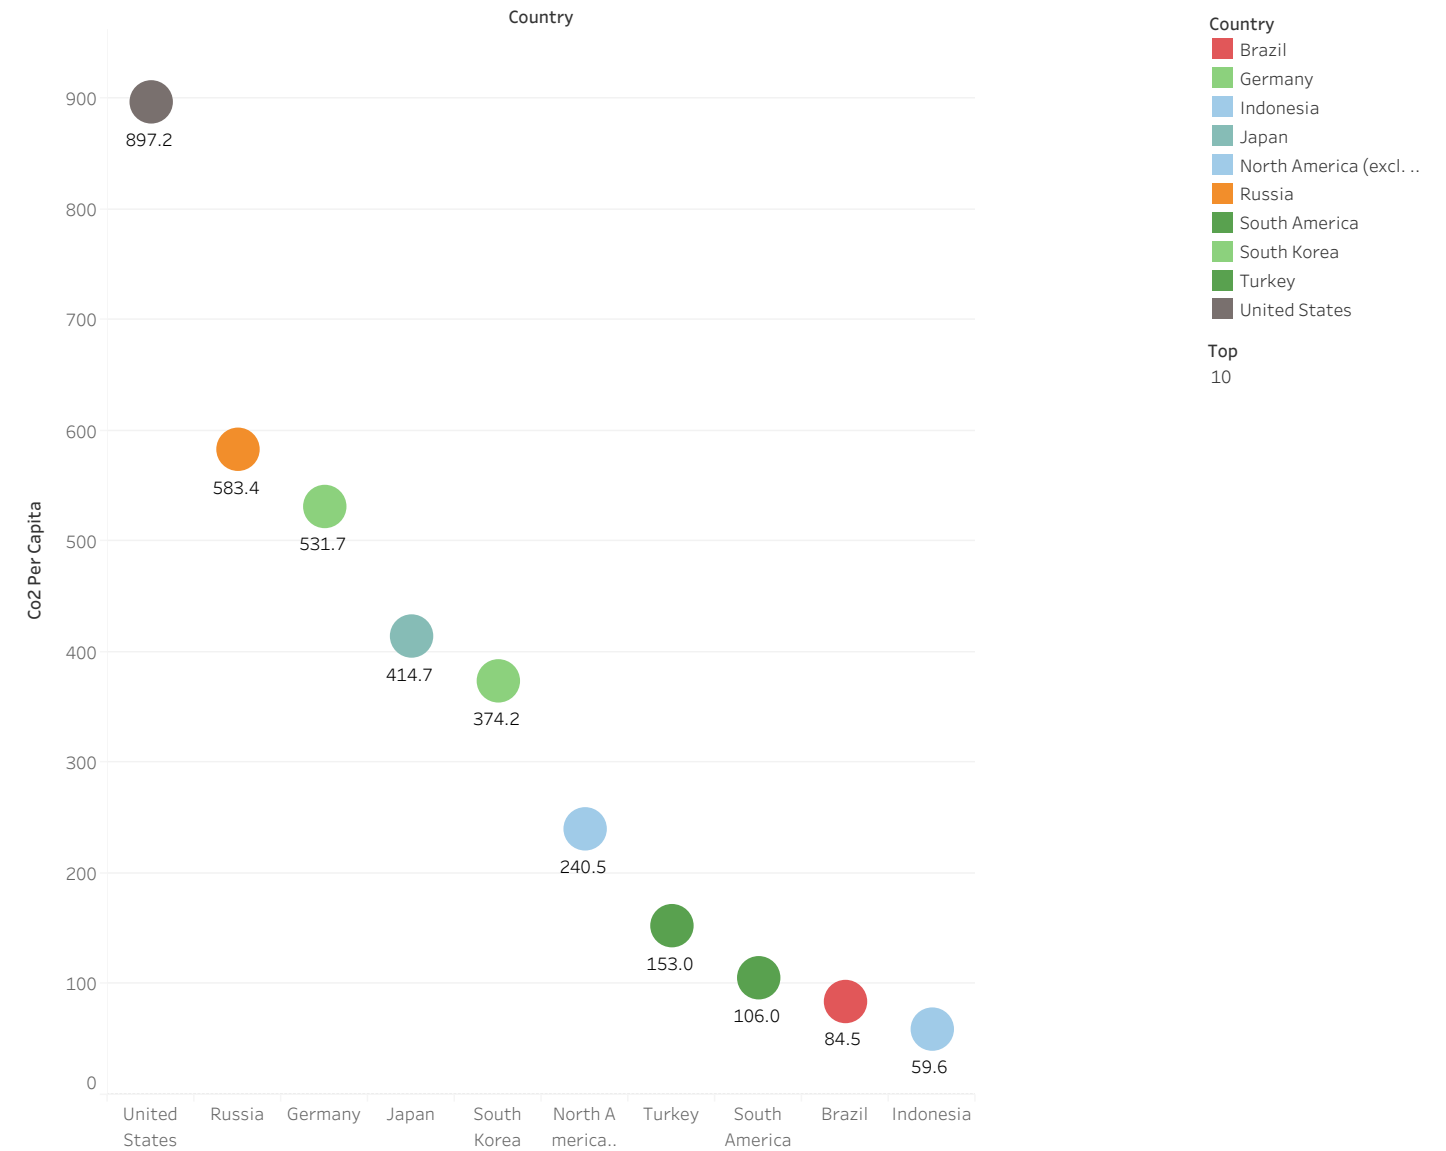

This chart shows that co2 emission on perc..

This chart shows that co2 emission by Inter..

This chart shows that co2 emission caused ..

This chart shows the emission rate over th..

This chart shows that co2 emission b..

A Global CO2 Emission Analysis

This chart shows the total emissi..

This chart shows that co2 emission on perc..

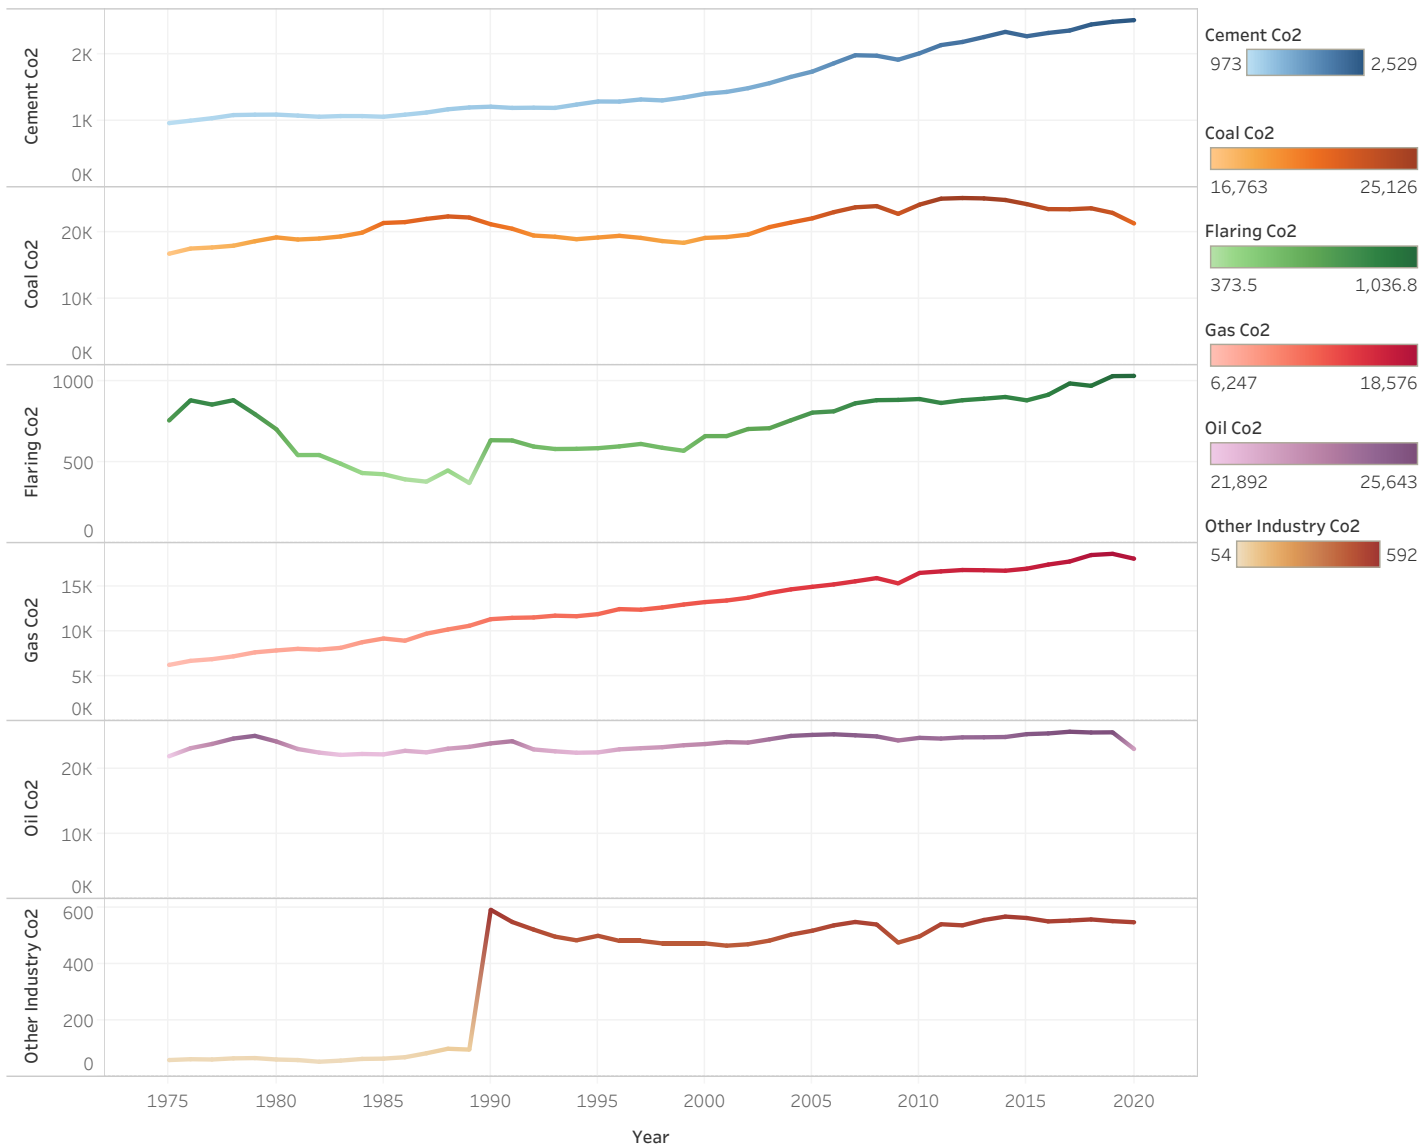

This chart shows that co2 emission by Inter..

This chart shows that co2 emission caused ..

This chart shows the emission rate over th..

This chart shows that co2 emission based o..

This chart shows that co2 emission b..

A Global CO2 Emission Analysis

This chart shows that co2 emissio..

This chart shows that co2 emission by Inter..

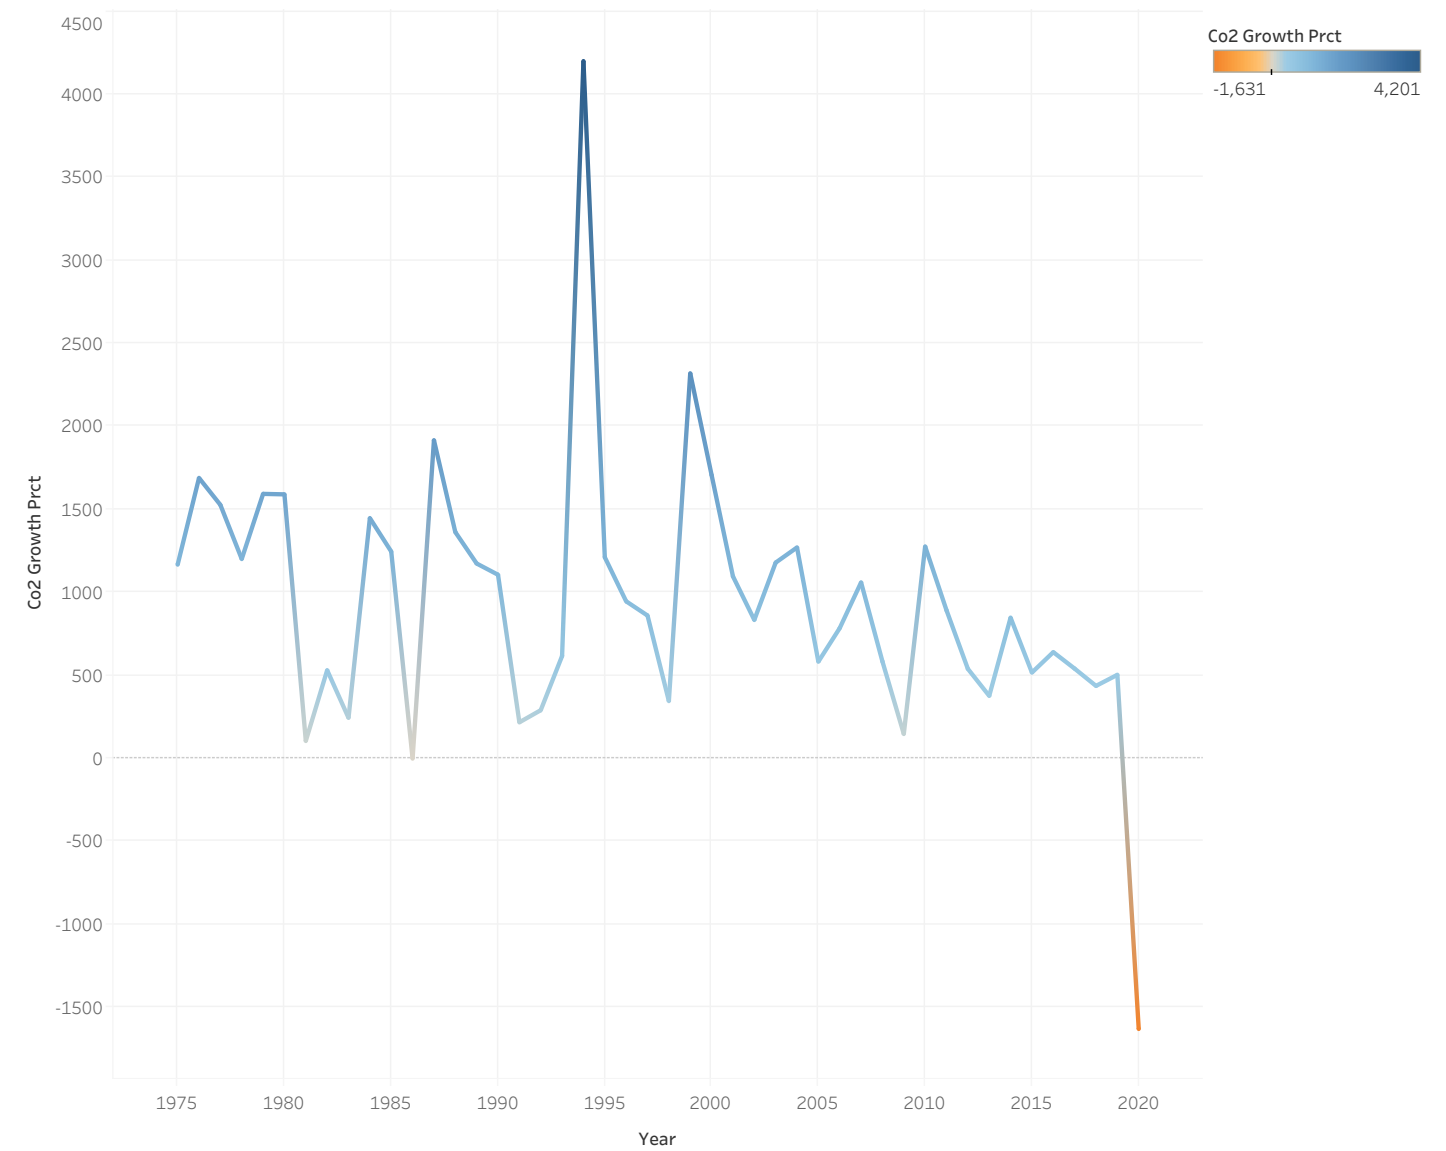

This chart shows that co2 emission caused ..

This chart shows the emission rate over th..

This chart shows that co2 emission based o..

This chart shows that co2 emission based o..

This chart shows that co2 emission b..

A Global CO2 Emission Analysis

This chart shows that co2 emissio..

This chart shows that co2 emission caused ..

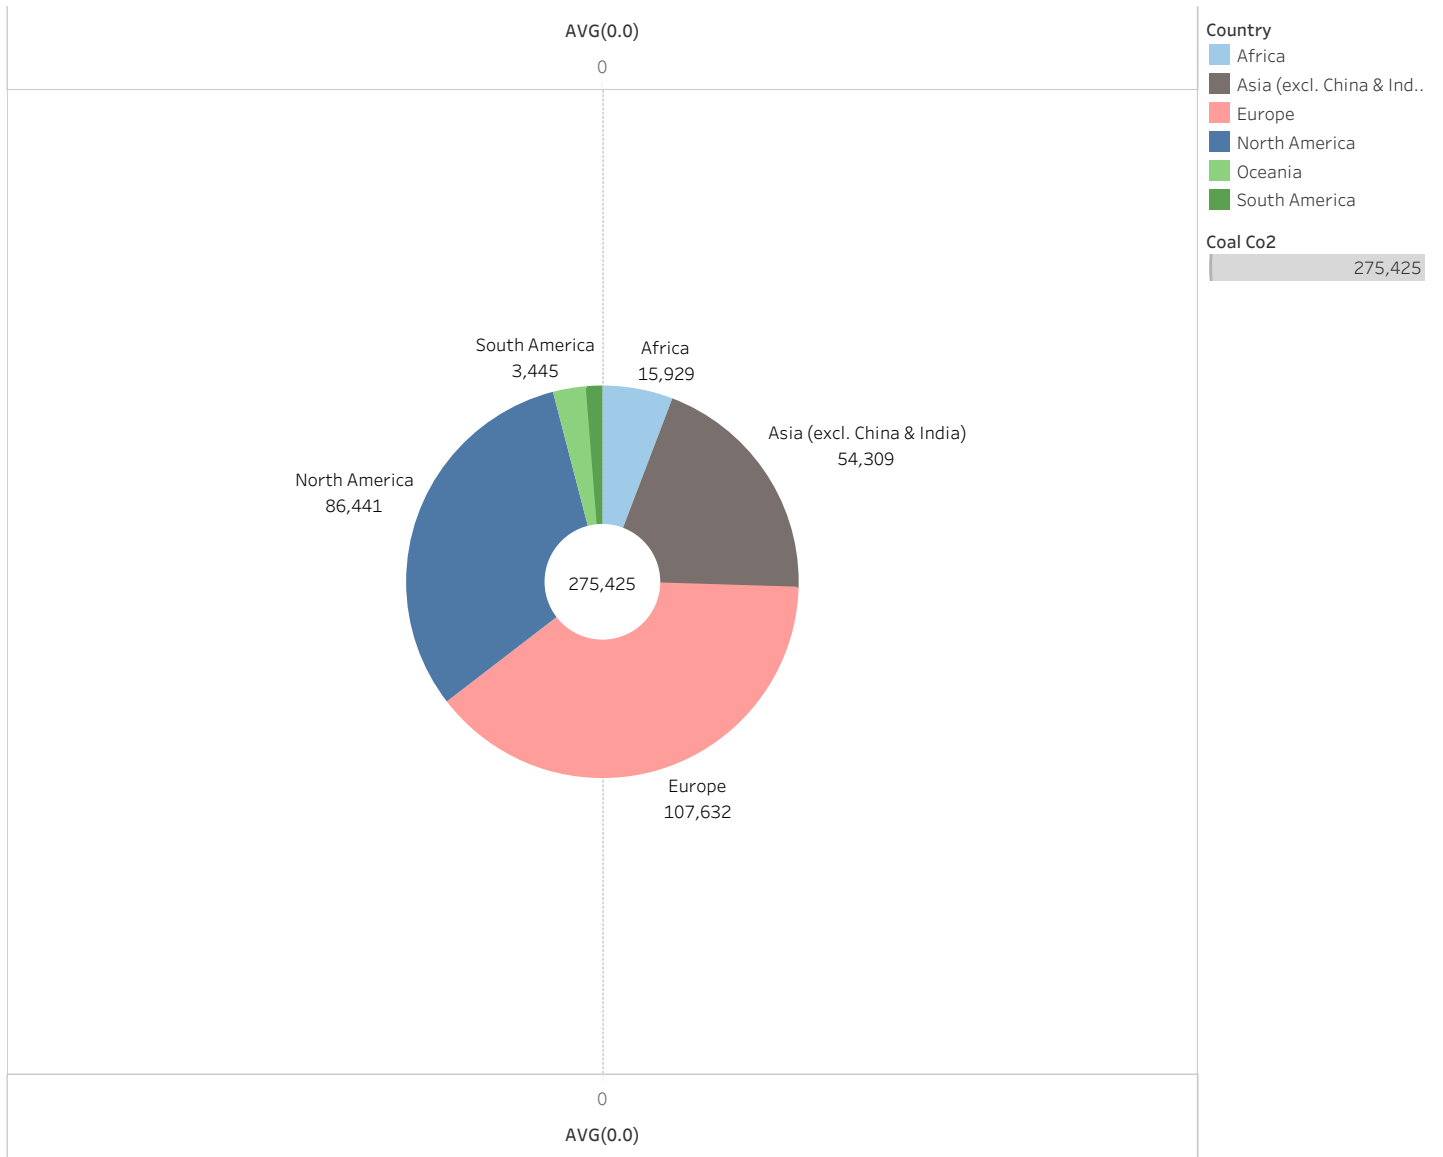

This chart shows the emission rate over th..

This chart shows that co2 emission based o..

This chart shows that co2 emission based o..

This chart shows that co2 emission based o..

This chart shows that co2 emission b..

A Global CO2 Emission Analysis

This chart shows
that co2 emissio..

This chart shows the
emission rate over th..

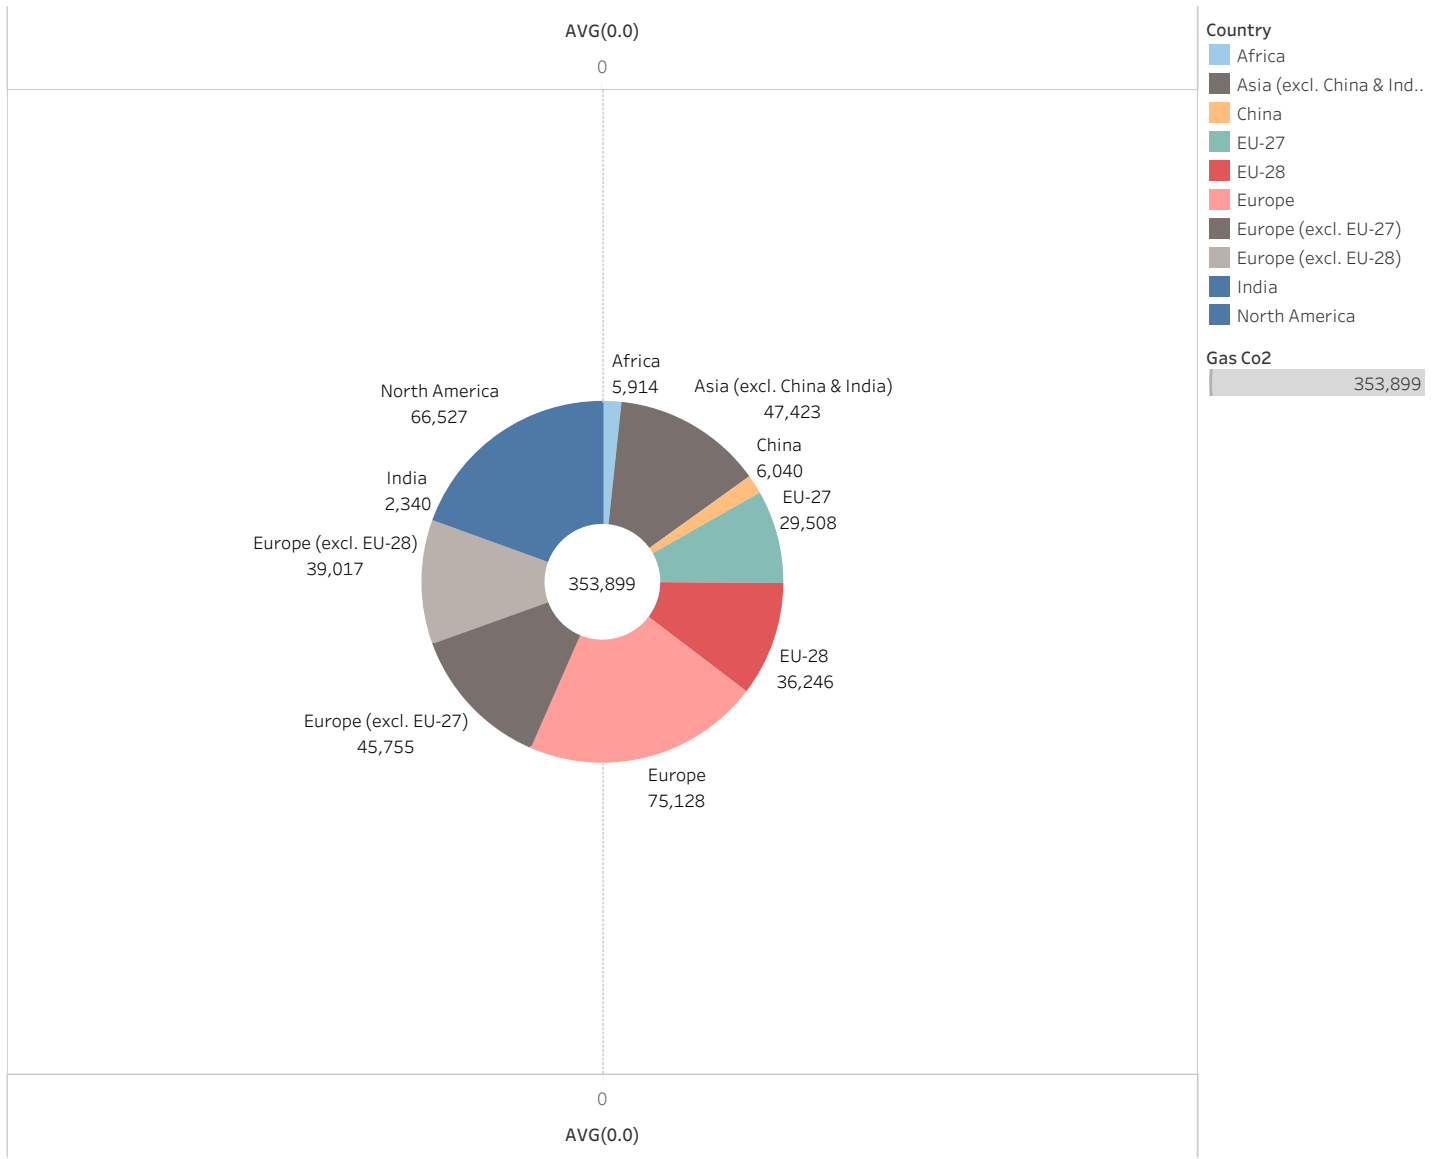

This chart shows that
co2 emission based o..

This chart shows that
co2 emission based o..

This chart shows that
co2 emission based o..

This chart shows that
co2 emission based o..

This chart shows
that Co2 emission ..

A Global CO2 Emission Analysis

This chart shows the emission rat..

This chart shows that co2 emission based o..

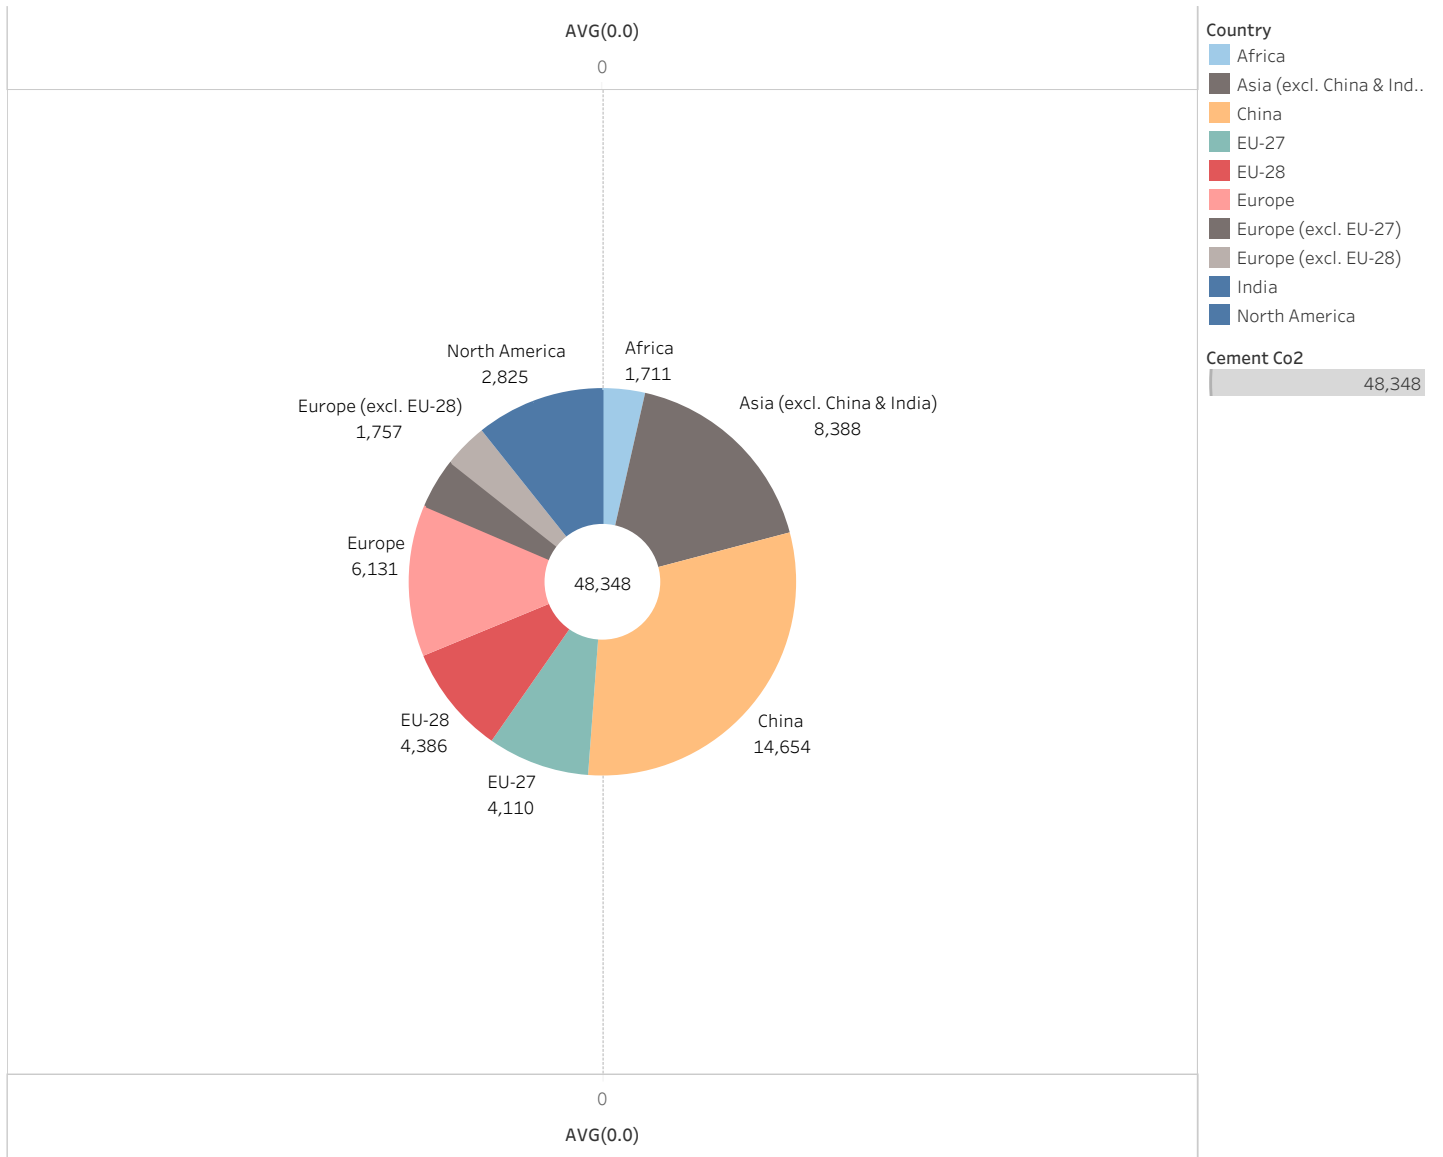

This chart shows that co2 emission based o..

This chart shows that co2 emission based o..

This chart shows that co2 emission based o..

This chart shows that Co2 emission over by ..

This chart shows that India's contrib..

A Global CO2 Emission Analysis

This chart shows
